

“Serving the Needs of Our Communities, One Patient at a Time”

Our centers help people restore strength, function and independence following surgery or a hospital stay. Individualized plans of care are delivered on a short-term basis. Our vision calls for quality and outcome-focused post-acute care that meets individualized patient needs.

Services:

- Physical, Occupational & Speech Therapies
- Stroke Rehabilitation
- Cardiac & Pulmonary Care
- Intravenous Therapy
- Orthopedic Care
- Post Surgical Recovery
- 24 / 7 Admissions
- Chronic Tracheostomy Care
- Wound Care Therapy
- Alzheimer’s & Dementia Care
- Pain Management
- Cancer Care
- Bariatric Care
- Diabetes Management
- Hospice / Palliative Care

Please inquire about specific services at each healthcare center.
