Assisted Living Care

We offer an array of services designed to enhance our residents' comfort and provide companionship and entertainment for a better quality of life.

Services Include:

- Discrete and dignified personal assistance as needed
- Assistance with medications
- Custom private transportation for group activities

Respite Care

Designed to give caregivers a break, short-term respite stays offer companionship, personal care, meals, and social activities. During their stay, respite residents enjoy the use of a private suite.

Memory Care

Quillen Manor is designed to enhance residents' social, cognitive, physical, and emotional abilities through innovative therapy, social interaction with others at the same stage of the progression of dementia, and appropriate environmental features.

Independent Living

The Villas at Quillen Manor offer the option of an independent living residence. Retired seniors living in the villas enjoy one home-cooked meal each day, monthly housekeeping, complete access to all Quillen Manor amenities and the peace of mind that assistance is available if needed.
