

SPARTANBURG SHARES

MEDICAL LOAN CLOSET

Lending durable medical equipment free of charge to any resident of Spartanburg County.

For many of Spartanburg's citizens, the cost of renting or purchasing necessary medical equipment – items like wheelchairs, walkers, commode chairs, canes, crutches and the like – can be prohibitive, even with insurance coverage.

Spartanburg Shares seeks to practice sensible stewardship by making use of the material resources already available in our community and sharing them with our neighbors. There is no income threshold or insurance requirement associated with our equipment loans.

Spartanburg Shares welcomes your donation of equipment, financial support and volunteer service.

137 South Dean Street • Spartanburg, SC 29302
