

# Life is about love, laughter, and family.

That is what **Lowe-Neddo Funeral Home** is about.  
We will help you **remember those moments,**  
and **celebrate those memories.**

**LOWE-NEDDO FUNERAL HOME IS ABOUT DOING THINGS DIFFERENTLY:**

*Let our family  
care for your family*

- We are family owned and operated.
- We are about giving you attention, care and information in your home or ours.
- We will help you compare costs and stay within budget.
- We will create an online memorial tribute and video of your loved one.
