

# Everybody ves Sandpiper

Barbara Cox has been a resident of Sandpiper Village Independent Living since 2013. She loves her back yard. It is full of flowers and benches for all of her friends to come and enjoy her garden.

“I don’t have to cook meals because I have a wonderful chef and great servers. Everyone is so caring – happy hour and entertainment are the best! Who could ask for anything more?” -*Barbara Cox, Sandpiper Village*
