DynamicMobileImaging.com

Digital X-Ray, Ultrasound, Echocardiogram, Dopplers, Holter Monitors, EKG

In these uncertain times, we are here to help you and your patients.

We provide bedside services of x-ray, ultrasound and more.

Your patients don't need to travel to an outpatient facility, which can help reduce in-person contacts and decrease exposure.

We are Joint Commission accredited with proven standards of infection control and safety.

START YOUR ACCOUNT TODAY

Call 1-866-483-XRAY (9729) to be connected to one of our professional account managers. They will walk you through the very easy process of partnership with us.

We can visit your staff and show everyone how simple ordering an exam from DMI can be. DMI can help you save time and money by avoiding the transportation of patients.

We Make it Quick & Easy!

ORDER BY PHONE

Calling DMI with an order is simple. We'll ask a few questions and be on our way.

ORDER ONLINE

It's easy to order online with our portal, Belvidere. We can get your account started.

VIEW ONLINE

You can view images and radiology reports through our portal.

For your convenience we provide a variety of helpful reports you can run on-demand.

DMI MEANS QUALITY

Dynamic Mobile Imaging voluntarily underwent a thorough evaluation by The Joint Commission and earned their Gold Seal of Approval®, an internationally recognized symbol of quality.

The Joint Commission consults doctors, nurses, and quality and safety experts to review standards of care.

DMI has measures in place for continued self-evaluation and the Joint Commission plans future visits to ensure we maintain our superior standards of care.

BENEFITS FOR YOUR FACILITY

Dynamic Mobile Imaging has proven to:

- Provide a safe environment for care
- Educate patients about risks and options
- Protect patient rights, including privacy
- Evaluate condition, before, during and after
- Protect patient against infection
- Plan for emergency situations
- and more
