*Life Plan Community
Welcoming Seniors of All Faiths*

The Foothills Retirement Community is located on 68 acres, nestled in the foothills of the Blue Ridge Mountains. Nearby Easley offers convenient shopping, dining and cultural opportunities. The area also boasts picturesque parks, waterfalls, cultural and heritage sites, hiking and biking trails, golf courses, rivers and lakes. The Foothills Retirement Community's land is a nationally certified wildlife habitat, and the campus is filled with trees and has a nature trail, walking paths, beautiful courtyards and lovely neighborhoods.

Within this quiet, natural setting, residents enjoy more than just lovely real estate. They are free to experience a lifestyle full of activities, social gatherings and spiritual enrichment as part of a diverse wellness program. Life at Foothills can be as active or as relaxing as you choose.

We Put People First

The Foothills Retirement Community is part of Presbyterian Communities of South Carolina (PCSC), a faith-based, not-for-profit organization serving people of all faiths. PCSC has enriched the lives of South Carolina's older adults and their families for more than 60 years. With leadership, innovation and accountability within the organization, PCSC offers older adults the retirement lifestyle that meets today's high expectations, while maintaining a commitment to "people before profits."

Our Mission

We are a compassionate Christian ministry dedicated to enriching the quality of life of seniors of all faiths. At The Foothills Retirement Community we believe in excellence in service ... and that means we work hard every day to ensure that those who choose to live with us get the services they enjoy, the freedom they want, the assistance they need and the dignity they deserve.

Independent Living

When you choose a free-standing home or apartment, you'll enjoy spacious accommodations in a variety of floor plans. Maintenance-free living means you'll never have to climb a ladder, start a lawn mower or pick up a paint brush again – unless you are part of our arts and crafts group!

Assisted Living

Residential Assisted Living is a good choice for those who just need a little help with everyday activities but desire to maintain a free, self-reliant lifestyle. Our person-centered supportive services ensure that help is available 24 hours a day. Accommodation options include private rooms, as well as larger multi-room suites.

Memory Support

The Bridge memory support neighborhood was uniquely designed to provide a supportive environment using the Association Montessori Internationale's philosophy for Aging and Dementia. Care Partners, trained in this philosophy, collaborate with the resident and their family to identify meaningful engagement opportunities. They then practice with residents to help them relearn tasks associated with their previous life roles as well as learn new purposeful roles they may enjoy. Single occupancy rooms with private baths are intentionally designed for independence. The building is designed to be homelike and has multiple engagement areas, a kitchen for cook-to-order items, cozy common areas, a secure courtyard and wayfinding features.

Healthcare

The Foothills Retirement Community is fully licensed to deliver comprehensive long-term nursing care services. Our experienced staff of compassionate medical professionals devotes special attention to each person's individual desire for dignity, privacy, respect and well-being.

Rehabilitation

RENEW is an innovative short-term rehabilitation program offered exclusively at PCSC that focuses on restoring your independence. Services include physical, occupational, speech, aquatic and nutritional therapy; dedicated medical director; 24/7 nursing; on-site lab and radiology; case management; and wellness programming. RENEW's interdisciplinary team is CMS 5-star focused and has expertise in many clinical proficiencies including respiratory programs, wound care, IV management, and specialty programs for Parkinson's. Plus, the team follows you for 90 days after discharge as a part of their commitment to your continued recovery at home.
