

OUR APPROACH

With decades of experience, the LawyerLisa team has been creatively assisting clients with their aging care needs. At LawyerLisa, we take a holistic, elder-centered approach to planning that helps families navigate the journey through the long term care maze by offering customized solutions for the financial, legal and personal care needs of aging and disabled family members.

WHERE YOUR FAMILY IS OUR FOCUS

WHY PLAN?

We believe the best time to start planning is *before* you need it and we are here to help you discover the peace of mind that comes with knowing you have a comprehensive plan in place.

Every person's circumstances are different and as a result, the planning and legal services we provide are unique to each client we serve. Our **Elder Law** services encompass customized estate planning documents, determining the right care based on need and any physical or mental illness, and planning for payment of long-term care without the fear of running out of money.

Our **Life Care Planning** services include a dedicated Elder Care Coordinator who advocates for you to get the best personal care, helps navigate government benefits, coordinates asset protection, communicates with your loved ones, and addresses many other current and future needs.

PLANNING CONTINUUM

Planning for the Unexpected

- No functional physical or mental limits, living independently, no caregiver costs

Planning for the Future

- Aging on the horizon, living at home with little or no assistance, concerned about the cost of care, asset protection and continued independence

Declining Independence

- Declining health, difficulty with self-care, unable to live at home without assistance, increased reliance on others and concerns about options to pay for long-term care

Crisis Care

- Dependent on others for care, requires increased care inside or outside the home, high reliance on others, immediate action needed, urgent need for financial strategy
