

# Confused about Medicare?

We can help.

**Here's the simple part:** Every American over 65 is eligible for Medicare. Some are eligible earlier based on their disability.

## The choices can be confusing:

- Should you add Part D to Parts A and B?
- Do you need a Medicare Advantage or a Medicare Supplement Insurance Plan?
- Do you qualify for financial assistance?

We understand all the different options, and we're here to help you find the coverage that fits your needs and budget.
